Dear Dean,

New Year's greetings!

The Jamaica Baptist Union wishes to extend heartfelt thanks to the General Association of Virginia for your generous financial contribution of \$50,000.00 (USD), toward our relief efforts. Your support will go a far way in making a meaningful difference to the communities and individuals we serve.

We are deeply grateful for your friendship, solidarity and accompaniment in mission during this very difficult time. Please accept our sincere appreciation for your partnership and compassion.

Thank you once again for your generosity and we look forward to the ways we may be able to continue working together throughout this New Year.

Yours in Christ,
